Close Rivals. The McClelland Bible class of the First Presbyterian church, is in danger of losing its prestige as the largest Presbyterian class in West Virginia. The "Vance Memorial" Men's Bible class of Wheeling is in friendly riv-alry with them and while the local class has been in the lead since the contest started, the Vance class defeated the McClelland class last Sunday with an attendance of 121 against 92. The McClelland will certainly have to get busy, as it does not want Wheeling to beat Clarksburg in any way.
